

# SEPPELT

## Drumborg Vineyard Riesling 2010

During 150 years of winemaking, Seppelt has built a reputation of innovation and dedication to quality. The Seppelt approach is to harness the strength and characteristics of each region and create varietally and regionally expressive wines.

Seppelt planted its Drumborg Vineyard in South-West Victoria in 1964 to grow premium quality, cool-climate fruit. A vineyard that experiences challenging weather which keeps yields low and fruit concentration and natural acidity high.

### Winemaker Comments Emma Wood

---

#### Vineyard Region

Drumborg Vineyard, Henty, South-Western Victoria.

#### Vintage Conditions

The 2010 vintage was defined by a warm November which led to a concentrated flowering period, a rarity in Drumborg. Mild even ripening continued into the New Year with negligible disease pressure. These ideal ripening conditions combined with the succinct flowering stage, led to the earliest start to vintage on record and a subsequent early finish.

#### Technical Analysis

**Harvest Date** Late March.

**pH** 3.05

**Acidity** 7.9g/L

**Alcohol** 13.0%

**Residual Sugar** 0.5g/L

**Bottling Date** July 2010

**Peak Drinking** To 2026

#### Grape Variety

Riesling

#### Maturation

This wine was matured in stainless steel to retain a fresh fruit focus.

#### Colour

The 2010 Drumborg Vineyard Riesling is a brilliant pale straw with a green hue.

#### Nose

Lifted floral notes with fresh lime and lemon curd nuances. A fine layer of chalky minerality shows its Drumborg heritage.

#### Palate

The palate displays intense lime characters, typical of the vineyard, complemented by lemon curd notes. The citrus flavours combine with talc like, textural acidity to create a wine of precision and finesse. The long, seamless and persistent palate creates a wine of outstanding depth of flavour that will develop gracefully over many years to come.
