

YALUMBA

The Reserve Cabernet Sauvignon Shiraz 1992

The Reserve represents the finest twenty barrels of red wine from the cellars of Yalumba and is made only in exceptional vintages.

Cabernet Sauvignon and Shiraz from South Australia's Barossa region were blended to create an extraordinarily intense wine of great richness and harmony with a structure that will reward patient cellaring.

Aged in barrels, seasoned and coopered at Yalumba, the wine is rich in chocolate and mocha flavours.

WINEMAKING / VITICULTURE

The Reserve 1992 is the follow-up to the legendary 1990 vintage wine. Primarily Cabernet Sauvignon with a 19% Shiraz component, the fruit was sourced principally from the Barossa and this is reflected in the concentrated berry and earthy aromas. Silky fruit and oak tannins will ensure successful cellaring for a phenomenal 20 years.

WINEMAKER PROFILE

Graduating from the Seppelt 'school of winemaking' via a 17-year apprenticeship in the Barossa at Chateau Tanunda and Seppeltsfield, Kevin moved to crafting outstanding reds at Grant Burge Wines before finally arriving at Yalumba in 1999. As the current custodian of some of the great Barossa vineyards, Kevin is responsible for making Yalumba's red wines. Kevin describes his winemaking philosophy as 'attempting to add an additional something to that which Mother Nature provides. The consistency and character of that extra dimension is the true measure of a winemaker's skills.'
